SUBJECT: CZECHS - PAYING ATTENTION TO DEVELOPMENTS IN
VENEZUELA

REF: STATE 154674

(SBU) Embassy Officials spoke with Jarmila Povejsilova of the Czech MFA Office of the Americas related to the recent anti-democratic developments in Venezuela. She acknowledged that the Czech government is following the proposed constitutional changes and the growing dissent within Venezuela and that they quite clearly see the worrying international implications of this trend. Povejsilova also indicated that Venezuela is on the minds of many EU member states and Venezuela be discussed at the early December EU Working Group Meeting on Latin America.
